SCHELL Health Faucet Sets.

New series design in proven SCHELL quality.

SCHELL Health Faucets are now available in a high-quality, coordinated series design that features a uniform housing size. From a rugged all-metal model (Premium) to a pleasantly light plastic model (Trend), the modern look of our Health Faucets combines hygiene with optimum ergonomic comfort for their users. Thanks to their cylindrical shape, both models are especially easy to grip and feature easy, intuitive usability. In terms of function, SCHELL Health Faucets are also precise and reliable.
